Re: **Bossert Manufacturing Corp.**
DEC Site #6-33-029

Dear Mr. Rotola:

Thank you for providing photocopy of the documents requested with regard to the above matter.

Your cover letter of 12/28/93 was received in this office on 1/28/94 together with a formal bill dated 1/14/94. Payment has been forwarded this date for the copies.

You will recall and you also make mention in your 12/28/93 letter, of request for reproduction of photographs. Your letter indicated that an estimate of the costs for the reproduction of the costs of the photographs was being prepared and would be forwarded under separate cover. To date such estimate has not been received. Could you please look into it and see that it is so we may proceed to make payment and obtain the photographs.

Thank you.

Very truly yours,
